

Elphinstone EasyView

Elphinstone EasyView mobile app for Android™ phones and tablets

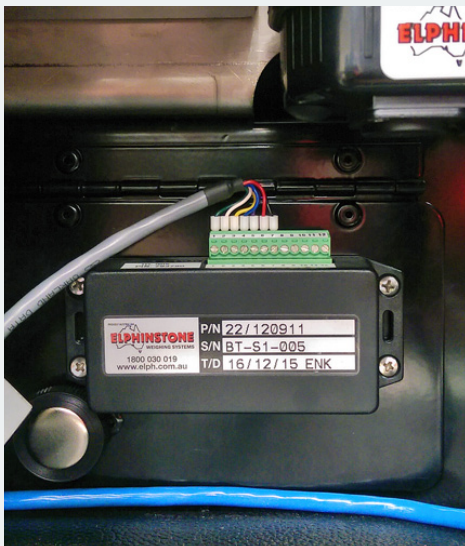

Elphinstone EasyView allows you to wirelessly access the range of Elphinstone Scale Indicators using your Android™ smartphone or tablet.

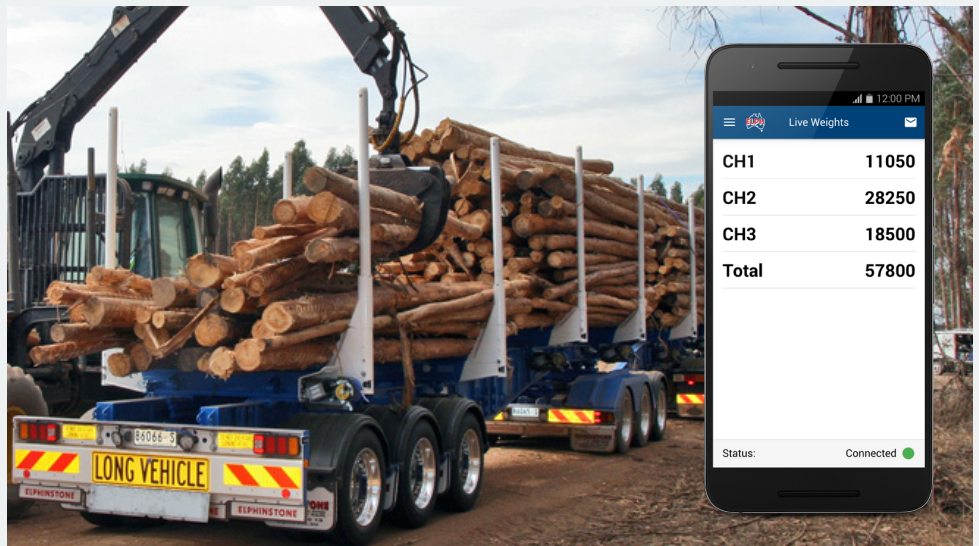

Use the EasyView mobile app to:

- Download recorded data
- View live weights
- Share data via email
- Safely monitor from in the cab or from a distance

For more information please contact Elphinstone Weighing Systems.

The EasyView Adaptor mounted in cab

Suitable for various industries and applications

Android is a trademark of Google Inc.
